DESCRIPTION

Repair or design your very own audio cables with these nice and durable phono-jack connectors. This is a great jack to make your own cable with. it's made out of durable metal with

Downloaded from [Arrow.com](#) Der the connector to some wires and you have a

DIY audio cable that can rival the best!

This item is a **3.5mm Stereo Jack**. It is free-hanging, not panel mount! It's a pretty common size and is super useful to connect most headphone cables or basic audio cables to. It pairs well with the [3.5mm Stereo Plug](#) if you want to make two matching cables that plug into each other.

TECHNICAL DETAILS
