CFS (Creality Filament System) Jumpstart Your Creativity with Color

Color-boost Your Creative Projects

CFS comes with a connection hub on the back. By hooking up as many as four CFS units together, you are able to print in the splendor of 16 colors*. Saves the need for extra painting afterward.

*Creality Hi Combo includes only one CFS unit. For 16 colors, you need to buy three additional CFS units.

Coloring the World Around You

A Refined & Integrated Multicolor Solution

From RFID filaments, multicolor slicing, to multi-filament management, all things are well integrated into an organic whole.
