3S QUICK-DRYING SOLDER RESIST OIL

3S quick dry solder mask green/black/yellow/red/blue oil

It is suitable for repairing the peeling or partial damage of the solder mask layer of the PCB circuit board of the computer and mobile phone. The corresponding color can be selected according to the demand. The 3S rapid curing without dead angle does not take time to repair the solder plate and does not need to be repaired.

3S

Quick dry

High temperature resistance

Strong and sturdy

Solder mask

Insulation

Strong stickiness

[RELIFE RL-UVH902G/B/Y/R/BL]

3S Quick Drying And Curing

3S rapid curing without dead angle, no time-consuming repair of welding plate, no repair

[RELIFE RL-UVH902G/B/Y/R/BL]

Multiple Colors And Models Available

It is specially used to repair the peeling or partial damage of the solder mask layer of the PCB circuit board of the computer and mobile phone, and the corresponding color can be selected according to the demand

[RELIFE RL-UVH902G/B/Y/R/BL]

High Temperature Resistance, Quick Drying And No Falling Off

The pads of the jumping wire coil do not come off, the chip is fixed, it is resistant to high temperature and does not soften, and it is durable

RL-UVH902
3S quick dry solder resist oil series

Quick dry in 3 seconds without falling off, scratched into powder after curing

Common UV curable oils on the market

Unstable solidification in 3 seconds, and it will fall off when scratched

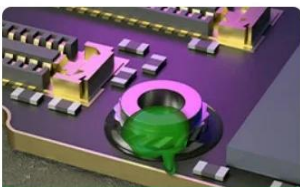

RELIFE RL-UVH902G/B/Y/R/BL

Repair Damaged Components

Insulate and protect the electronic components after welding, repair the peeling or partial damage of the solder mask layer of the PCB circuit board, fix the enamelled wire, and protect the components. It is suitable for professional fixing of tail plugs, screw posts, Jumping wire, pads and other parts

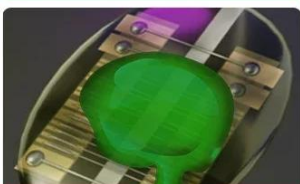

Jumping wire welded into coil

Motherboard screw column fixing

Mobile phone tail plug fixed

Main board/Jumping wire fixing

Product Information

Note: manual measurement will have \pm tolerance, for reference only, please refer to the actual product

RELIFE

Product Parameters

RELIFE

BRAND	RELIFE
PRODUCT NAME	3S quick dry solder mask green/black/yellow/red/blue oil
MODEL	RL-UVH902G/B/Y/R/BL
NET WEIGHT	10CC
GROSS WEIGHT	\approx 25g
PRODUCT SIZE	28*35*95mm
PACKAGE SIZE	200*71mm
