

UT118B pen type multimeter is light and durable. This meter has a fast sampling rate of 4 times/s, which can quickly capture measurement readings. It is a cost-effective product customized for home appliance repair and DIYers.

UT118B

| Specifications          | Range (SCAN Mode)       | Range (AUTO Mode) | Accuracy     |
|-------------------------|-------------------------|-------------------|--------------|
| <b>Certificates</b>     | <b>CE, UKCA</b>         |                   |              |
| DC voltage (V)          | 600V                    | 600V              | $\pm(1\%+3)$ |
| AC Voltage (V)          | 600V                    | 600V              | $\pm(1\%+4)$ |
| Resistance ( $\Omega$ ) | 3M $\Omega$             | 30M $\Omega$      | $\pm(1\%+3)$ |
| Capacitance (F)         | 300 $\mu$ F             | 3mF               | $\pm(3\%+5)$ |
| Display count           | 3000                    |                   |              |
| Auto power off          | Around 10 minutes       |                   |              |
| Input impedance for DCV | $\geq 10\text{M}\Omega$ |                   |              |
| Category ratings        | CAT III 300V            |                   |              |

| Features               |                 |
|------------------------|-----------------|
| Auto range             | Data hold/diode |
| EF function            | MAX/MIN         |
| Continuity buzzer      | LCD backlight   |
| Low battery indication | Penlight        |

| Characteristics              |                                    |
|------------------------------|------------------------------------|
| Standard accessories         | Battery, test lead, English manual |
| Power                        | 3V battery (CR2032)                |
| Display                      | 28 x 14mm                          |
| Product size                 | 20 x 27 x 182mm                    |
| Product net weight           | 90g                                |
| Standard individual packing  | Blister                            |
| Standard quantity per carton | 40pcs                              |
| Standard carton measurement  | 405 x 300 x 300mm                  |
| Standard carton gross weight | 7.1kg                              |
