

UT387 series wall scanners are great tools designed for construction and home improvement sector. These scanners can pick up hidden objects behind walls, such as metals, live electrical wires, and wood. UT387A is designed for dry wall, but it can also effectively scan hardwood flooring, plywood, and coated wooden walls. It has two scanning modes, these are used for scanning walls of different thickness.

| Specifications           | UT387A                      |                    | UT387B |
|--------------------------|-----------------------------|--------------------|--------|
| Certificates             | CE, UKCA                    |                    |        |
|                          | Maximum detectable distance |                    |        |
| Ferrous metals           | 19mm (StudScan)             | 28.5mm (ThickScan) | 80mm   |
| Non-ferrous metals       | 19mm (StudScan)             | 28.5mm (ThickScan) | 80mm   |
| Copper conductors (live) | 50mm (StudScan)             | 50mm (ThickScan)   | 50mm   |
| Wood                     | 19mm                        | 28.5mm             | 20mm   |
| Scanning modes           | 2                           |                    | 1      |
| Auto calibration         | √                           |                    |        |
| User calibration         |                             |                    | √      |
| Silent mode              |                             |                    | √      |

## Features

Buzzer indication  
Auto power off  
Error calibration alarm  
LED alarm  
Low battery indication

## Characteristics

|                              |                                                      |
|------------------------------|------------------------------------------------------|
| Standard accessories         | Battery, English manual                              |
| Power                        | 9V battery (6F22)                                    |
| Product size                 | UT387A: 170 x 70.5 x 38.9mm; UT387B: 220 x 83 x 30mm |
| Product net weight           | UT387A: 153g; UT387B: 274g                           |
| Standard individual packing  | Gift box, carrying bag (UT387B)                      |
| Standard quantity per carton | 10pcs                                                |
| Standard carton measurement  | 295 x 290 x 205mm                                    |
| Standard carton gross weight | 4.5kg                                                |
