

## XH-T: PIN PARA CONECTOR HX-4Y

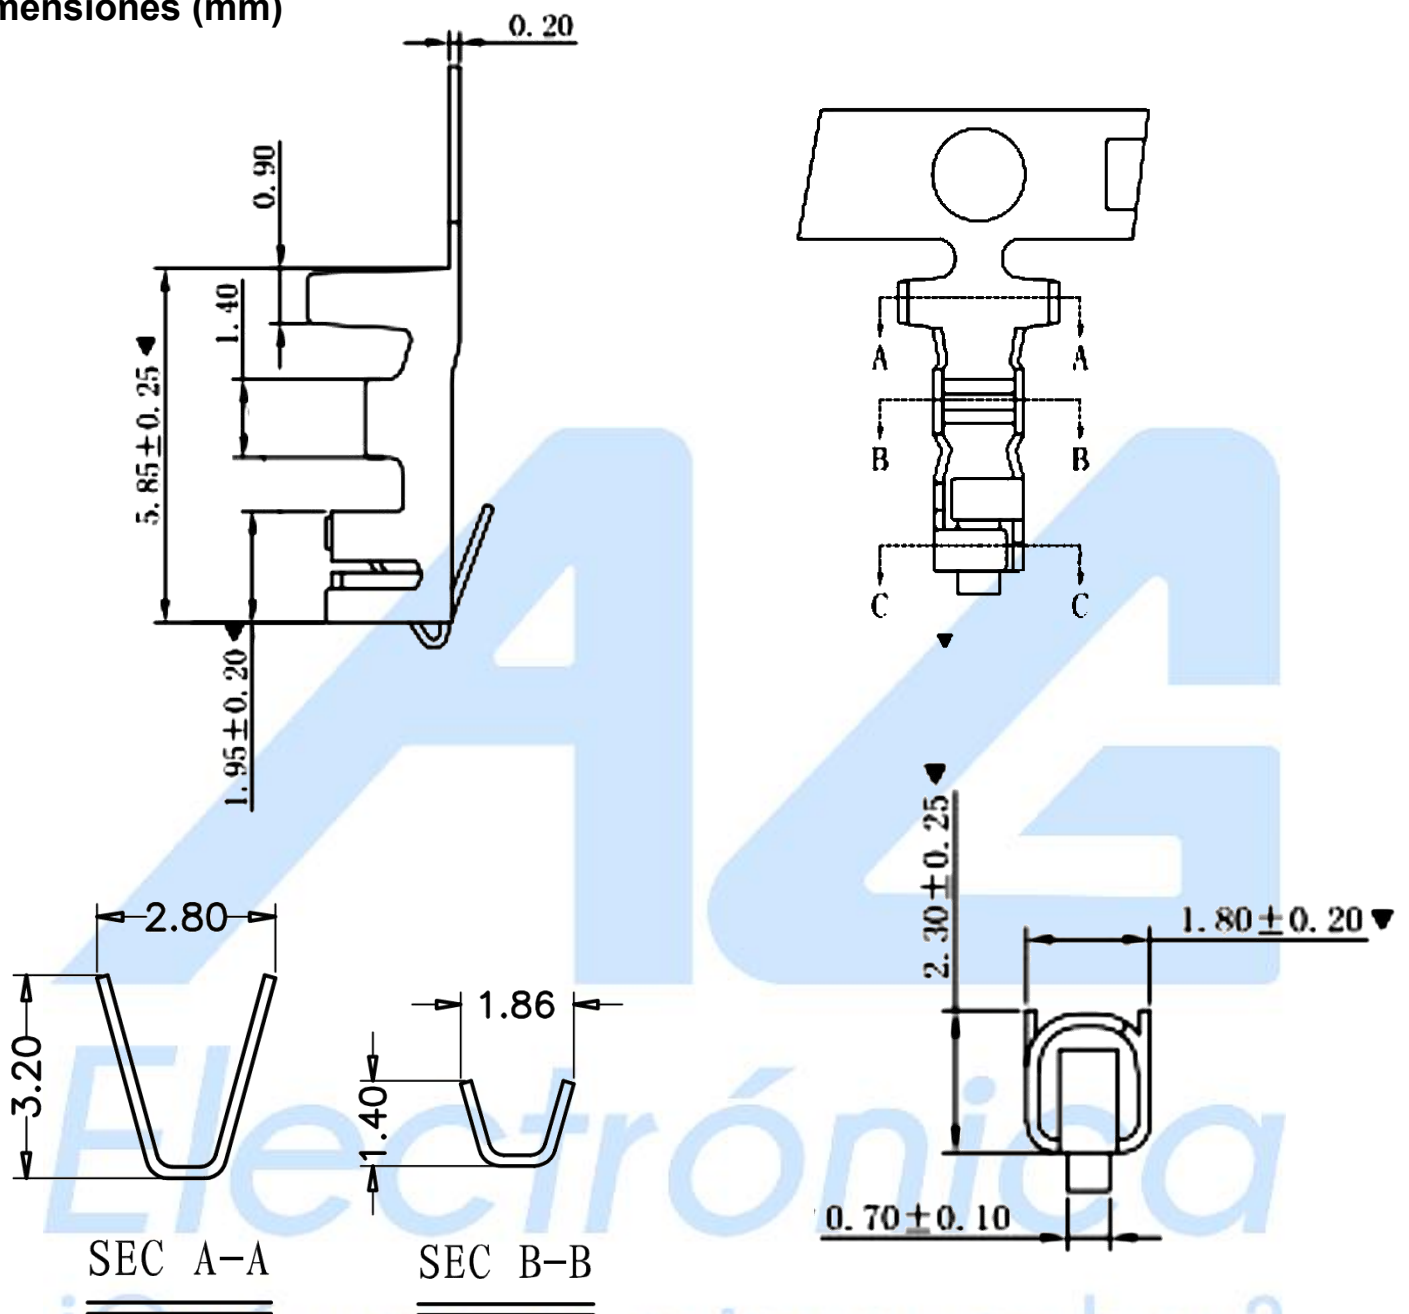

### Especificaciones:

|                            |               |
|----------------------------|---------------|
| Corriente                  | 3A            |
| Resistencia de aislamiento | 1000MΩ a 100V |
| Voltaje                    | 250V AC/DC    |
| Temperatura                | -25° a +85°C  |

# Dimensiones (mm)

|                    |                                                                           |                 |               |
|--------------------|---------------------------------------------------------------------------|-----------------|---------------|
